MEDICINE

The Voyage Through Time

This book is a master piece on the subject "History of Medicine". It is interesting and elaborate work which introduces us to past and present of medicine, unbolts the way to progress in future and allows us to understand the present state of medicine to make it flawless. It covers the evolution of medical science from the very time of conception to present gigantic state.

- The book has been appropriately named "Medicine- The Voyage Through Time" as it takes the reader to a journey through time looking at key features that has led to this present state of medicine
- The content of the book is drawn by referring almost all available literatures on the subject
- In this work one can read about various stalwarts and contributors with their contributions to the system
- The book is fully colored which gives it a beautiful look and presentation
- Great readability and flow of text

This book is joint effort of three competent physicians in the field of Homeopathic Medicine. Being well versed with the subject they have knowledge and style to present the same to masses.

Dr. A.N. Bhasme (MD): Born on 10th August 1954 in Maharashtra, India. He has served homeopathy both being a teacher as well as an administrator. He is Dean and Faculty of Homoeopathy, MUHS, Nashik, Head of Department of Materia Medica and Principal at 'Sonajirao Kshirsagar Homoeopathic Medical College and Hospital, Vidyanagar (W), Maharashtra. He is also serving as Vice-President of Central Council of Homoeopathy, New Delhi.

Dr. Rosario Pascoal D'Souza (MD): Born on 4th January 1967 in state of Maharashtra, India. Being principal of E.B. Gadakari Homoeopathic Medical College, he works continuously towards his goal of providing best possible education to the students. Dr. D'souza, is also Head of Department of Anatomy where his teaching skills are well talked about.

Dr. Angelo Christopher Smith (MD): Born on 6th April 1973 in Maharashtra, India. He is lecturer in Department of Forensic medicine and Toxicology Y.M.T. Homoeopathic Medical College, Kharghar, Navi Mumbai, Maharashtra. He is well versed not only with the subject he teaches but is a master in others too.
