**Subject:- Approval to building plan for additional factory building
on Plot No.P-19 in Gadhinglaj Indl. Area.**

Reference:- 1) Your letter No.Nil dt.25.01.2011
2) This office letter No.70 dt.04.02.2011.
3)Your tracking No.SWC/92/3/20110325/44982
dt.05.04.2011.

Dear Sir,

With reference to your application under reference for grant to sanction of Commencement Certificate to carry out development work and Building Permit under section 45 of MR/T.P. Act, 1966 to erect a building on Plot No. P-19 in **Gadhinglaj Industrial area**, the Commencement Certificate / Building Permit is hereby granted, subject to the following conditions: -

- A) The land vacated in consequence of the enforcement of the set-back rule part of the public street.
- B) No new building or part there of shall be occupied or allowed to be occupied or used or permitted to be used by any person until occupancy permission has been granted.
- C) The **Commencement Certificate / Building Permit** shall remain valid for a period of one year commencing from the date of its issue.
- D) This permission does not entitle you to develop the land, which does not vest in you.
- E) Minimum two trees in plots having area of 200 Sq.m and such number of trees at the rate of one tree per 100 sq.m. for plot more than 200 sq.m. in area shall be planted and protected.
- F) In case of Group Housing, minimum two trees per tenement shall be planted and protected

As per terms & conditions mentioned below:-

One set of plan/modified plan/additions to pervious plan received form you vide your letter number cited above is hereby approved & returned to you subject to the following conditions.

- 2) You have submitted plans and drawings for **6638.61 Sq.m.** of built up area, over the plot area of **39720.00 Sq.m.** and at present this office has approved the plans for **6638.61 Sq.m** of built up area. This office has approved only one number of drawing, details of which are attached in the accompanying statement on page No.6.
 - a) In case of 'Approval' to the modified plans, the original Approval to the drawings granted by Executive Engineer, MIDC, Division, Kolhapur vide letter No. **Nil** dated: **Nil** is now treated as cancelled as the drawings approved now supercede the previously approved drawings. You are requested to return the above cancelled drawings to this office for record and cancellation.
 - b) As the plans approved now are for new structures, which were not approved previously, present approval along with the plans previously approved vide letter No. **Nil** dated: **Nil** . From the office of the Executive Engineer, MIDC, Kolhapur are to treated as combined approval for building plans.
- 3) The building plans need to be got approved from the following Concerned Authorities as per requirements of the concerned Govt. Departments.
 - m) Permits / Licenses from other Govt. / Semi-Govt. Authorities, if found necessary.
 - n) Controller of Explosives, Government of Maharashtra.
 - o) Department of Industrial Safety and helth, Govt. of Maharashtra.
- 4) You have to submit certified copies of the approved Drawings, in triplicate from the above Authorities to Executive Engineer, MIDC Division, Kolhapur before any work is started.
- 4) For the sanitary block, overhead water storage tank shall be provided for at the rate of least 900 liters. Per w. c. and 180 liters. Per urinal.
- 5) Necessary approach road to the plot from the edge of road shall be provided with a cross drainage pipes of minimum 600 mm Diameter or larger than that, as per requirements of the site conditions, or slab drain as may be approved by the under signed. Surface water from plot shall not be entered on MIDC Road.
- 6) Temporary structures shall not be allowed except during construction period, after obtaining prior approval from Executive Engineer, & the same shall be demolished immediately, within one month from completion of approved construction.
- 7) During the period of construction of stacking of material shall be done only in the area of plot allotted. In no case material is to be stacked

along MIDC roads & open plot area without approval from Executive Engineer.

- 8) The boundary marks demarcating the boundaries shall be properly preserved & kept in good condition & shown to the departmental staff as & when required.
- 9) **No Tube-well / Bore-well or Open - well shall be constructed by the plot holder without prior written permission.**
- 10) Works of water supply, drainage shall be carried out through licensed plumber only, and as per water supply regulations of the Department. Separate approval of drainage / water supply connection plans is to be obtained from the Executive Engineer, prior to construction.
- 11) Plans for any future additions, alterations & extensions will have to be got approved from this office as well as from the Departments competent to do so.
- 12) The present approval to plans does not pertain to approval to the structural Designs and R. C. C. members, foundation etc. It is only a locational approval to the structures with reference to the plot boundaries.
- 13) In case any power lines are passing through the plot, the plot-holder should approach to the M. S. E. D. C. L and obtain a letter specifying the vertical and horizontal clearance to be left the & plan his structures accordingly.
- 14) Wherever a compound wall is to be constructed the Gate Should open inside the plot and if the plot is facing on two or more sides of the roads then Gate shall be located at least 15 meters from the corner of junction of roads.
- 15) The waste effluent from the treatment work should be soaked in soak-pit, if sewer lines are not available in the area. In case if sewerage system of MIDC is functioning, effluent should be connected to drainage manhole after getting the drawings approved. Storm water flow from rain water pipe is to be connected to MIDC's sewerage system. Further any waste effluent is to be let out in MIDC's sewerage system, the same shall be treated to conform to standards laid by Maharashtra Pollution Control Board of Maharashtra Government after obtaining it's consent, under section 28 of the Act.
- 16) Plot holder should make his own arrangement for 24 hours storage of water by constructing underground water storage tank of required capacity as uninterrupted water supply cannot be guaranteed by the department.
- 17) In case water streams are flowing through the plot allotted, the plot holder has to ensure that the maximum quantity of rainwater that flows at the point of entry of the stream is allowed to flow uninterrupted through the plot and the point of out flow of the original stream. The point of entry and exit of the natural stream must not be changed. The detailed Plans, Section and Designs,

- allowing maximum expended discharge of rainwater through the plot has to be furnished to this office. No work of filing of plot and diversion of nalla, should be undertaken unless a written permission for work proposed is got approved from the Executive Engineer.
- 18) This permission stands cancelled if no construction work is started within 12 months from the date of issue of this letter. Date of starting construction work and date of completion should be informed to the Deputy Engineer in charge immediately.
 - 19) The breach of any of these stipulations shall render the plot holder liable for action as provided in MID Act. 1961 (MAH-III of 1962) and regulations made and also terms of lease and schedule of penalties as prescribed by the Corporation, for this purpose.
 - 20) Corporation has got power to add, to amend, to vary, to rescind any provisions of regulations from time to time as it may deem fit, & the plot holder has to abide by these rules & regulations.
 - 21) As soon as the building work is completed, plot holder should approach the Deputy Engineer, MIDC Sub-Division Gadhinglaj and get work inspected and building should not be occupied unless **Building Completion Certificate** is issued by this office.
 - 22) This approval is subjected to permission of competent authority under Urban Land Ceiling and Regulation Act, 1976.
 - 23) The Plot holder shall at his own expenses within a period of one year from the date hereof, plant trees in the space of the periphery of said land (One tree per 100 sq.mtr & one tree at a distance of 15 meters on the frontage of road but within plot or part thereof.) & shall maintain the trees so planted in good condition through out the terms hereby agreed to be created under their present.
 - 24) Plot holder shall utilise the said open space for the purpose of planting trees & for no other purpose whatsoever.
 - 25) **On completion of construction up to Plinth level**, the plot holder should invariably approach the concerned Deputy Engineer, to inspect the construction completed up to plinth level & obtain **Plinth Level Completion Certificate**, else further construction will be treated as illegal & will have to be demolished.
 - 26) No Objection Certificate / Consent shall be obtained from the M. P. C. Board & shall be produced to this office. In this connection, you are requested to please contact the Maharashtra Pollution Control Board on the address given below:-

**Regional officer,
Maharashtra Pollution Control Board,
Udyog Bhavan, Ground Floor, Nagala Park, Kolhapur.**
 - 27) The plot shall be used for the purpose for which it is allotted. In any misuse of plot or change in utilization of plot/ constructed area will found, then plan approval and BCC if given will stand cancelled, which please be noted.
 - 28) Please submit rain water harvesting plan and get it approved at the earliest.
 - 29) The B.C.C. shall be issued subject to "Final No Objection Certificate" from the Fire Department of MIDC.

30 It is note that, any type of construction in future till the expiry of period is not permitted in the approved parking area. Parking area as shown in site plan.

One set of plan, received from you vide your letter No cited above is returned herewith duly approved for your information and further needful in the matter.

Please acknowledge the receipt.

Thanking you,

Yours faithfully,

(A.G.Ranange)
